Lightweight comfort

UNLEASH YOUR GAME

BackBeat® GAME

Plantronics BackBeat GAME wireless earbuds deliver immersive audio for your non-stop life, so you can lose the cord, free your game or music, and still take that call.

BackBeat® GAME

WIRELESS FREEDOM FOR GAMING ON-THE-GO. Designed to seal in the bass and block out the noise, you'll quickly lose yourself in the soundtrack of your day. Whether you're immersed in your handheld game or swaying to your favorite tune, the military-grade moisture resistance protects against an intense gaming session or an unexpected drink spill. If you tuck it away and forget to power it off, the DeepSleep® hibernation mode keeps earbuds charged and ready to use for up to six months. Unleash your GAME.

- The P2i military-grade nano-coating protects against sweat, moisture, and spills.
- Compact design easily slips into your pocket and tangle free cable keeps things simple.
- Enjoy your favorite game, music or movie with up to 4.5 hours of listening and 5 hours of talk time.
- DeepSleep mode puts buds into hibernation when away from the phone, extending battery readiness up to six months.
- Three sizes of cushioned eartips and stabilizers make the fit custom and comfortable for active use and all day wearing.
- Inline controls make it easy to take calls, skip tracks, and adjust volume.
- Bluetooth® technology lets you connect to your smartphone or tablet for games, music, movies, and calls.
- Headset battery meter automatically shows onscreen for iPhone® and iPad®
- Plantronics Battery Meter widget enables a headset battery meter on Android™ 3.0 tablets, and Android 4.0 phones and tablets.
