

Just say "Answer" to take calls

Hear music, videos, and more

Smart power-saving mode

plantronics®

Use your voice, not your hands

M55™

The Plantronics M55 Bluetooth® headset lets you do more with your voice – answer calls without pressing buttons and access your smartphone's voice-enabled assistant.

M55

Now you can talk, play, and hear more. Plantronics DeepSleep® mode lets the M55 stay charged for up to five months, so it's ready when you want to hear music, Internet radio, or simply take a call. DeepSleep activates when your M55 is away from your phone for over 90 minutes. When it's back in range (33 feet or less), you can just tap the Call button to "wake" it up.

MAKES CALLS WORRY-FREE

- Take calls without pressing a button—just say "Answer"
- DeepSleep mode extends battery life for up to five months
- Hear music, videos, driving directions, and more from your smartphone
- Voice alerts whisper talk time, battery level, and more
- Enhances clarity on wideband-enabled smartphones
- Reduces noise, wind, and echo from calls
- Fits comfortably in either ear
